FAQ'S

Our Ready To Roll collection consists of 4 different colour palettes, each with a variety of products to give your wedding that stylish G&B touch and with the added freedom of no minimum spend. Please find below some of our most frequently asked questions about the range...

CAN YOU ADD ITEMS TO AN ORDER ONCE IT HAS ALREADY BEEN PLACED?

Yes you can! We require at least 72 hours notice, however if you find yourself in a pickle we will always try our hardest to accommodate any last minute additional requirements. Just give us a call at the shop on 01636 919675 and we'll try our best to help.

CAN YOU CHANGE ELEMENTS TO YOUR ORDER ONCE IT HAS ALREADY BEEN PLACED?

Yes you can! We require a weeks notice if you would like to change a colour palette or if you would like to add or deduct items from your order. Don't worry, we can be indecisive too.

DO YOU DO BESPOKE BOUQUETS?

Unfortunately we only offer bespoke bouquets as part of our Bespoke Wedding Florals Service, information on this can be found under the 'Weddings' section of our website.

CAN I REQUEST SPECIFIC FLOWERS?

Our Ready To Roll Collection has been designed to showcase the very best of seasonal flowers, so unfortunately we are unable to take specific requests as part of this service.

CAN'T I JUST BUY AN ARRANGEMENT FROM THE WEBSITE AND CARRY THAT?

Sadly no. Wedding bouquets are made in a unique way so that the flowers don't slip out of place as you are walking down the aisle and can withstand their usage throughout the day.

FAQ'S CONTINUED

HOW FAR IN ADVANCE DO I NEED TO ORDER?

We would suggest you get your flower order in as soon as possible to avoid any stress however we only need 72 hours notice to create your wedding flowers for you!

WHEN SHOULD I COLLECT MY FLOWERS?

Your flowers will be available from 9am on your chosen collection date, we recommend collecting the morning of your wedding so that we can make sure the best possible care is taken with them, however if you need to collect earlier than 9am please give the shop a call on 01636 919675 after placing your order and we'll see what we can do for you!

HOW DO I STORE MY FLOWERS?

Buttonholes etc (basically anything out of water) must be stored in a fridge, especially if collecting the day before. Your bouquets will come in water, however be sure to keep any flowers out of any bright sunlight and a cool, dark spot is advisable for all. Please note that once they have left the store and are out of our care we will no longer take responsibility for the well-being any of the florals collected.

WHAT COLOUR RIBBON WILL BE USED?

For the bouquets, a ribbon in keeping with your chosen colour palette will be used. Buttonholes will be bound with twine. If you have your own ribbon you'd like us to use, get in touch and we can discuss if this will be possible.
